

Príncipe de Viana Chardonnay

90 POINTS

DECANTER WORLD WINE AWARDS

May 2018. **Príncipe de Viana Chardonnay 2017** receives **90 POINTS** from **Decanter World Wine Awards** international contest.

Príncipe de Viana's white Chardonnay wine has seduced the juries of the world's most notable international challenges. A further example arrived only last March with the Gold Medal granted by the Berliner Wein Trophy competition.

The fact that every vintage has obtained awards makes Príncipe de Viana Chardonnay a benchmark for quality. This is only possible thanks to the greatest respect for terroir and a painstaking winemaking. Príncipe de Viana Chardonnay is the result of the Navarra cellar's impeccable work.

Consecutive vintages of the different Príncipe de Viana wines have achieved outstanding results from influential Guía Peñín as well as from international wine contests such as Mundus Vini, Challenge International du Vin or the Berliner Wein Trophy, to name a few examples.
