Príncipe de Viana Edición Blanca

Gold Medal
**BERLINER WEIN
TROPHY**

March 2018. **Príncipe de Viana Chardonnay 2017** and **Príncipe de Viana Edición Blanca 2017** receive **Gold Medals** from international contest **Berliner Wein Trophy**.

Príncipe de Viana's white wines seduce the juries of the world's most notable international challenges. In a market as tough as that of white wines, the fact that they obtain awards with every vintage makes both Príncipe de Viana references a benchmark for quality, only possible thanks to the greatest respect for terroir and a painstaking winemaking. Príncipe de Viana **Chardonnay** and Príncipe de Viana **Edición Blanca**, which was chosen *Navarra's Best Fresh White Wine* last year, are the result of the Navarra cellar's impeccable work.

Consecutive vintages of all the wines of the Príncipe de Viana range have obtained outstanding results from influential Peñín as well as from international wine contests such as Mundus Vini or Challenge International du Vin, to name but a few examples, in addition to the Berliner Wein Trophy.
