Gold Medal Berliner Wein Trophy

March 2020. **Príncipe de Viana Crianza 2016 and Príncipe de Viana Chardonnay 2019 receive GOLD MEDAL from Berliner Wein Trophy international wine contest.**

These are two of Príncipe de Viana's most emblematic wines. They have collected Gold Medals from previous editions of the Berliner Wein Trophy as well as from Mundus Vini, Challenge International du Vin and Decanter World Wine Awards, to name but a few examples.

The utmost respect is paid to Príncipe de Viana's vineyards so that they reflect their authentic character. The Crianza is a blend of Tempranillo, Merlot and Cabernet Sauvignon, while the Chardonnay is a single varietal wine.

Príncipe de Viana's value is achieved by the care for the origin of its wines, as well as for an unbeatable value for money relation.
