Príncipe de Viana

February 26th, 2020.

Príncipe de Viana Edición Rosa 2019 receives a **GOLD MEDAL** from **MUNDUS VINI** international wine contest.

Príncipe de Viana Edición Rosa 2019 is fresh, elegant and aromatic. It is made with grapes from a single Garnacha Tinta vineyard managed exclusively to produce rosé wines.

The grapes are harvested by hand during the night in order to avoid aromatic losses and maintain Bodegas Príncipe de Viana's high quality standards.

In addition to Mundus Vini's, the quality of Príncipe de Viana's special rosé has received awards from CIVAS Sommeliers of Spain wine contest, which chose it in the Top 3 of Spain's rosé wines.

Also, from **Guía Peñín**, the **Global Rosé Masters** and the **International Wine & Spirits Competition**, to name but a few.
