### THE DRINKS BUSINESS' GLOBAL ROSÉ MASTERS

May 2018. *Príncipe de Viana Edición Rosa 2017* receives **90 points** from the wine challenge organized by prestigious *The Drinks Business* magazine.

Príncipe de Viana's special edition rosé has impressed wine critics from its very launch on the market and has been considered one of Spain's best rosés.

The most recent example has arrived this month from the 2018-2019 edition of *Guía Peñín* which has granted *Príncipe de Viana Edición Rosa 2017* the excellent rating of **91 points**.

In addition, CIVAS 2016 Sommeliers of Spain wine contest named it one of the **Top 3 Best Rosés from Spain**, and the major Spanish newspaper *El País* selected this wine as one of **Spain's 10 Best Rosés for less than 10€**.

The secret for *Príncipe de Viana Edición Rosa*'s success is none other than the Garnacha Tinta grapes from the San Nicolás vineyard, harvested by hand at night so as to avoid the effects of the high temperatures of the day on the delicate berries. A careful winemaking that respects fruit and freshness makes the rest.

The result is a special rosé whose quality and unique style are recognized by experts from all over the world.
