

Príncipe de Viana Edición Rosa

91 points Roll of Honour

Guía del Vino Cotidiano

September 2016. **Príncipe de Viana Edición Rosa** has been granted **91 points** and **Roll of Honour** by the guide published by important Opus Wine Group, specialized on wines from Spain.

Príncipe de Viana's special edition rosé has impressed wine critics from its very launch last year, who consider it one of Spain's best rosés. One example is the nomination as one of **Spain's Best Three Rosés** (91 points) by the CIVAS 2016 Sommeliers of Spain contest.

In addition, one of the major Spanish newspapers **El País** (Carlos Delgado, El País Viajero, May 20th) chose it to join the exclusive group of **Spain's 10 Best Rosé Wines for less than 10€**.

Made with a selection of 100% Red Grenache from one single vineyard hand-harvested at night, Príncipe de Viana Edición Rosa responds to a firm commitment to innovation in the production of rosé wines.
