## *Vintage 2018, a wine gem that defied climatic adversities*

This year's climatic challenges revealed the greatness of an exceptional vineyard. Thanks to precise vineyard management, we achieved exceptional ripeness, preserving the freshness and juiciness of the grapes.

A meticulous hand-picked harvest, along with a careful selection of purposely semi-frozen berries, gave us grapes of the highest quality.

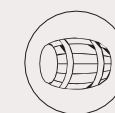

Fermentation with native wild yeasts followed by a cold maceration process intensified the flavours and aromas of this unique wine.

it as on the enjoyment it provides when drinking it.”*

*“It is history turned into wine, upon reading, that is, upon  
tasting the mellow, beguiling and satisfying flavours it shows  
us, it reminds us that life goes on regardless of trends and  
fashions, and that only genuine quality prevails and stands  
the test of time.*
